

## **Ana Hincapie, PhD.**

Assistant Professor of Pharmacy Practice, James L. Winkle College of Pharmacy  
Course Coordinator: Leading Quality Management in Pharmacy

Dr. Hincapie has an established background in medication safety and quality improvement in health care. In addition to her faculty position, she is the coordinator for ambulatory pharmacy resources for S.t Elizabeth Physicians. She has co-authored two book chapters related to medication safety and quality improvement. Additionally, in conjunction with the Pharmacy Quality Alliance she participated in the development of a free online curriculum aimed at training practicing pharmacists, health professionals, and pharmacy students in measuring, improving, and reporting quality of care and safety in pharmacy practice.
