

**Jeff Taylor, R.Ph., M.S.**

Assistant Adjunct Professor, James L. Winkle College of Pharmacy  
Pharmacy Director, Aetna Pharmacy Management  
Course Coordinator: Healthcare Marketplace – Health Economics

Jeff Taylor is a pharmacist with 39 years of healthcare experience and 22 years in managed care. He has national responsibility for pharmacy innovation in electronic prescribing/clinical decision support, medical/pharmacy integration activities and clinical pharmacy strategic development with Aetna health insurance plans and accountable care organizations (ACO's). Jeff's primary responsibilities are to design and support Aetna insurance prescription benefit plans and new ACO collaborations that provide synergies with the pharmacy and medical insurance benefit to help people lead healthier lives.
